

The Home Builders Association of Kankakee is proud to announce the 10th Annual Spring Home Improvement Show (SHIS) for 2012 at the Hidden Cove Sportsplex (behind Northfield Square Mall), 70 Ken Hayes Drive, Bradley, IL 60915.

As SHIS continues to grow each year the goal is to continually make it better. Our community offers a wide variety of businesses that showcase a vast selection of home improvement products, quality builders and craftsmen, as well as financial solutions for any type of home improvement. The opportunities created from having your products and services set before the public can be a great advantage for growth and visibility.

The current economy has taken a definite downslide. And as you know, the housing market has been hit hard. I do know; however, that remodeling has remained steady. Many home owners are currently avoiding selling their homes; but instead, have chosen to increase the value by remodeling, changing windows, cabinets, applying a fresh coat of paint, finishing their basements, etc. They are looking for YOUR products, expertise and manpower to complete these jobs to improve the homes that they have chosen to stay in for a while longer. Your presence in the Show could have a great advantage over your competitors. You won't want to miss this opportunity!

We look forward to building and making this event more successful with YOU next year. We will again have a dedicated area for demonstrations and "How-To" sessions. We encourage exhibitors to participate by hosting a "How-To" session, demonstrating a topic that you have an expertise in. Each presentation should range in length from 15 to 30 minutes. If you are interested in participating please contact Sally for more information.

The dates and time of the event are:

Saturday, **March 10**, 2012 9:00 am - 5:00 pm
